Subject: Acknowledgement of Receipt/ Data Call-Ins/ Folpet.

Dear Sir or Madam:

On September 16, 2013 you received an e-mail from EPA which provided an electronic Data Call-In (DCI) for the following:

GDCI-081601-1326, for Folpet, for Makhteshim Chemical Works LTD.

No response acknowledgement was received. You are required to send a complete and adequate e-mail response to the Agency within five business days measured from your company's receipt of the original e-mail and Data Call-In (DCI) transmission by EPA. Specifically, you must respond to that e-mail transmission by "forwarding with attachments" your response by e-mail to EPA as follows:

"I, [*insert your name and title*], have received from U.S. EPA's Office of Pesticide Programs the pesticide DCI (*[EPA will insert the DCI number]* for *[EPA will insert the AI name]*) on *[insert date]* for *[insert registrant name as shown on the attached DCI Forms]*. Additionally, I have successfully opened the file attachment(s) that accompanied the transmittal e-mail."

If you are an agent for the registrant, include this additional information in the acknowledgement statement above:

"I am the agent for [*insert registrant name as shown on the attached DCI Forms*]."

Send your acknowledgement e-mail **with the original attachment(s)** to
[OPP PRD PSB DCI-Receipt Team@epa.gov](mailto:OPP_PRD_PSB_DCI-Receipt_Team@epa.gov).

If you have any electronic transmission difficulties please contact me. Thank you.
